

# Fire Station 20

**Location:** 4721 NW 9<sup>th</sup> Avenue

**Year Built:** 1968

## **Existing Challenges:**

- Not Hurricane Rated/Compliant
- Built as a Volunteer Fire Station
- Designed prior to Women in the Service
- Non-ADA Compliant
- Lack of Adequate Site Area and General Function of the Building
- Outdated Systems
- Fire Apparatus Bays Inefficient
- No Fire Sprinkler System
