

Collins Community Center

Year Built:
1971

Collins Community Center is a multi-use facility adjacent to a playground, pickleball courts and an outdoor basketball court. It offers patrons an open meeting area where multiple city programs and events are held, including Active Adults, Childcare, and Summer Camp Programs.

Challenges:

- Not hurricane rated/compliant
- No fire sprinkler system
- Electrical system mixed between commercial and residential
- Outdated and inefficient HVAC systems is a cost to taxpayers
- Poor indoor climate and air quality
- Multiple roof leaks. Inefficient, non- impact windows
- Restrooms non-ADA compliant
- Extensive upgrades will require additional renovation of building design and/or construction to be compliant with current Florida Building and Life Safety Codes
- No secure areas for childcare
- Open floor plan is not easily divided for multiple uses
- Children, adults and staff use the same restroom
- Outdated audio-visual equipment
- No dedicated space for childcare classroom and programming
- No reception area to greet and screen visitors
- Dividing the room for two uses limits access to the restrooms for one of the groups
- Inadequate exterior lighting
- Not enough storage for athletic and other programming equipment
- No break room area; meeting room is shared with the public

Location:
3900 NE 3rd Avenue

Collins Community Center
