

The Oakland Park Volunteer Corps NEWSLETTER

Our inaugural Summer Tree Giveaway and Tree Assistance Program were tremendously successful due to the help from all volunteers. We had the most volunteers ever, which made the resident experience smooth and pleasant. Thank you to our returning volunteer experts. We missed Charlie Livio, our expert Horticulturist, but you all stepped in with your experience to help the event run seamlessly. Charlie would be proud of his team! We also welcome our new team from Girl Scout Troop 10211 led by Marjory Morningstar. You all were awesome with helping residents with loading trees. And our planting crew, Mitch, Jose, Jack and Rex were kept busy all morning planting trees for our residents who cannot attend the Giveaway. You made such an impact with those you helped. Thank you all so much! I hope to see you at our next Tree Giveaway and Tree Assistance events!

Summer Tree Giveaway

to volunteer!

FATHER'S DAY FISHING TOURNAMENT

WOW! What an awesome event...our biggest ever!

Thanks so much to our Volunteer Corps members who helped measure and track prize catches and with other contests. It was such a great day as indicated by these photos. You should all know that we've received emails from families that had a great time and love this event. We couldn't do it without you!!

Big thanks to Brandon, Daniela, Greg, Daniel, Pat, Howie and Sazzad (left to right). And a special thanks to Ryan Arnst for some outstanding photography.

You all are awesome people to share your time on a Saturday so Fathers can share a special day with their kids. The City of Oakland Park thanks you so much!

CALLING ALL VOLUNTEERS!

OPERATION: OUR NEIGHBOR

Operation OUR NEIGHBOR is a community improvement project designed to assist residents to effectively upgrade their properties to comply with community standards or codes. This program aims to unite local stakeholders for the betterment of our neighborhoods while reaching out to our neighbors who are in need of a little assistance.

**SATURDAY, JULY 23RD
8:00 AM - 11:00 AM**

Volunteers will be clearing an overgrown property that has gotten out of the control of one of our fine residents who is unable to address the problem. Sponsors will provide snacks, but please bring sunblock, a hat, closed-toed shoes & gloves.
