3. Automatic Bank Draft Option

Would you like to enroll in our automatic bank draft payment option? Yes No

If yes, please attach a voided check to this application, read the statement below and initial to authorize automatic bank drafts from your account

I authorize the Financial Institution named on my voided check to pay my monthly utility bill by charging each payment to the account specified by me. I agree that each payment shall be the same as if it were an instrument personally, signed by me. This authority is to remain in effect until revoked by me in writing. In addition, I have the right to stop payment of a charge by notifying Utility & Billing Services 10 business days prior to the due date on my bill. If I do stop payment, I will still be responsible for payment of my utility bill by the due date. I understand however that both the Financial Institution and the City of Oakland Park reserves the right to terminate this plan or my participation therein. A service fee of \$15.00 or 5% of the draft amount, whichever is greater, will be charged for all returned bank draft payments.

Initial: _____

4. Acknowledgments & Agreements

Please read and initial next to each statement below.

_____ All utility bills are due upon receipt. A 1.5% or \$10.00 penalty, whichever is greater will be applied to all balances that are not paid within 25 days the billing date. Delinquent accounts will be subjected to termination and all applicable fees and service charges.

_____ Delinquent utility accounts, in an owner's name, will result in a lien being placed on the owner's property. Delinquent accounts in a tenant's name will be reported to collection agencies and may affect your consumer credit score.

_____ Deposits shall be held in a non-interest-bearing account, all deposits (if not transferred) are applied to the final bill. If the deposit exceeds the final bill, and no other outstanding fees or charges exist, then the remaining credit balance will be refunded.

_____ The account holder is responsible for all piping beyond the City's meter; leaks and unintended use of water past the meter are the financial responsibility of the account holder. Adjustments are only available in limited circumstances.

_____ The City's uses smart meter technology that allows account holders to track their water consumption by the hour, day, week, and more. This powerful tool can help customers manage their water consumption and identify potential leaks. To begin using this service, visit: <https://eyeonwater.com>.

_____ A new account administration fee of \$50.00 will be applied to your first bill.
