ARTICLE 27.0
GRIEVANCE AND ARBITRATION PROCEDURE

- 27.1 In a mutual effort to provide a harmonious working relationship between the parties to this Agreement, it is specifically agreed and understood that there shall be a procedure for the resolution of disputes between the parties.
- 27.2 There are two types of grievances, individual grievances and class grievances, both of which shall be processed in the manner stated below.
- 27.3 An individual grievance is defined as a disagreement or dispute involving the application or interpretation of this Agreement which impacts the rights or privileges of one bargaining unit member.
- 27.4 A class grievance is defined as a disagreement or dispute involving the application or interpretation of this Agreement which impacts the rights or privileges of more than one member of the bargaining unit.
- 27.5 A dispute over disciplinary action shall be considered an appeal of disciplinary action.
- 27.6 Time is considered to be of the utmost importance. Accordingly, any grievance not submitted and/or processed by the grieving party in accordance with the time limits provided below shall be considered exclusively abandoned and shall be barred, forfeited and forever foreclosed for all contractual purposes and shall result in the forfeiture of all rights to arbitration. Any grievance not answered or processed by the CITY within the time limits provided below shall be deemed resolved in favor of the grievant.
- 27.7 It is the agreement of the parties that only the Union can advance a grievance to arbitration. Bargaining Unit members are bound by the decision of the Union to advance or decline to advance a grievance to arbitration. Only the City and the Union are proper parties to an arbitration proceeding.
- 27.8 For the first three hundred sixty-five (365) days of consecutive service with the CITY, an employee is probationary. That is, the employee serves at the will and pleasure of the CITY and thus he may be disciplined or discharged without explanation or for any reason deemed sufficient by the appropriate CITY official. Accordingly, probationary employees shall have no right to utilize this grievance/arbitration procedure for any matter concerning discharge, suspension or other discipline.
- 27.9 Grievances shall be presented in the following manner:

City LD

Union RUP

Step 1: In the event an employee (or the Union in the case of a class grievance) covered by this Agreement believes that there is a basis for a grievance he /she may file a formal grievance, on a form approved by the CITY. Such a grievance must be filed within fifteen (15) calendar days of the act or omission which gives rise to the grievance. Said grievance must be in writing, must be signed by the employee (except in the case of a class grievance) and a Union representative and must contain:

the date of the alleged act or omission which give rise to the grievance;
the specific article (s) of this Agreement allegedly violated;
the facts pertaining to or giving rise to the alleged grievances; and
the relief requested.

The formal grievance shall be submitted to the Chief of Fire Rescue or designee.

The Chief of Fire Rescue shall reply in writing within ten (10) calendar days of receipt of the grievance. Failure by the Chief of Fire Rescue to reply within the time period shall be held to be an approval of the grievance and the remedy sought.

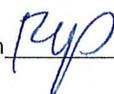

Step 2: In the event that the employee is not satisfied with the disposition of the grievance by the Chief of Fire Rescue at Step 2 he/she shall have the right to submit the grievance to the CITY Manager within ten (10) calendar days after the disposition. Such grievance must be accompanied by the filing of a copy of the original written grievance. The CITY Manager shall, within fifteen (15) calendar days of receipt of the grievance, render his decision in writing.

If the City Manager shall fail to reply in writing, such failure shall be deemed as an approval of the merits of the grievance or dispute and the remedy sought.

Step 3: In the event a grievance processed through the grievance procedure has not been resolved at Step 2 above, the Union may submit the grievance to arbitration. The City and Union agree that only the Union, and not individual members, have the right to advance a grievance to arbitration. Such request shall be in writing to the Federal Mediation and Conciliation Service with a copy to the City, delivered by hand delivery or mailed, postmarked within ten (10) days of the City Manager's disposition of the grievance.

27.10 The demand for arbitration shall include a request to the Federal Mediation and Conciliation Service to furnish a panel of seven (7) names from which each party shall have the option of striking three (3) names in alternating fashion, until the parties select a neutral or impartial arbitrator. The party striking first shall be determined by the toss of a coin. The selection process shall occur within five (5) calendar days of receipt of the panel list.

City 

Union 

- 27.11 Whenever the grieving party is satisfied with the disposition of the grievance at any step of the grievance procedure, or if the grieving party does not process the grievance in accordance with the specified time limits, processing of the grievance by the CITY will automatically stop. However, a grieving employee may not partially accept and partially reject a disposition of his grievance. The employee must either accept or reject the disposition of his grievance, in its entirety.
- 27.12 For the purposes of this Article, the term "calendar day" is defined to include every day except Saturdays, Sundays, and days designated as holidays by this Agreement, regardless of whether the grievant is on duty or off duty.
- 27.13 The time limits contained herein are to be strictly adhered to and may only be extended by written agreement between the parties.
- 27.14 The City and the Union shall mutually agree in writing as to the statement of the grievance to be arbitrated prior to the arbitration hearing, and the arbitrator, thereafter, shall confine his decision to the particular grievance thus specified. In the event the parties fail to agree on the statement of the grievance to be submitted to the arbitrator, the arbitrator will determine the statement of the grievance, provided, however, that the arbitrator shall have no authority to change, amend, add to, subtract from, or otherwise alter or supplement this Agreement or any part thereof or amendment thereto. The arbitrator shall have no authority to consider or rule upon any matter which is stated in this Agreement not to be subject to arbitration or which is not a grievance as defined in this Article, except to the extent as specifically provided herein or expressly agreed to by the parties.
- 27.15 The arbitrator may not issue declaratory opinions and shall confine himself exclusively to the question(s) presented to him, which questions(s) must be actual and existing.
- 27.16 Each party shall bear the expense of its own witnesses and of its own representatives for the purposes of the arbitration hearing. The impartial arbitrator's fee and related expenses and expenses of obtaining a hearing room, if any, shall be equally divided between the parties. Any person desiring a transcript of the hearing shall bear the cost of such transcript unless both parties mutually agree to share such costs.
- 27.17 The arbitrator's award shall be final and binding on the parties.
- 27.18 The parties agree that the settlement of any grievance by the parties prior to the rendition of a decision by an arbitrator shall not constitute an admission that the contract has been violated nor shall such settlement constitute a precedent for the interpretation or application of the provisions of this Agreement.

City JD

Union RYP

- 27.19 When arbitrability is raised by the CITY with respect to any grievance, the issue of arbitrability shall be determined by the arbitrator no less than thirty (30) days prior to commencement of an arbitration hearing on the grievance itself.
- 27.20 If the CITY does not agree that the matter is arbitral, notification shall be sent to the Union of such within ten (10) days of receipt of the Union request to proceed to arbitration. The parties agree that in such an instance, the CITY may submit solely the question of arbitrability either to an arbitrator or to a court.
- 27.21 If the arbitrability issue is submitted to an arbitrator, the decision shall be based solely on written briefs, exhibits and affidavits submitted by the parties, with no oral argument allowed; and shall be submitted to the arbitrator within ten days of selection of the arbitrator. The arbitrator shall render the decision within fifteen days of receipt of the parties' submissions.
- 27.22 If there is no objection by either party to the arbitrability of the grievance, and the abovementioned procedure has been fully complied with or results in a determination that the grievance is arbitral, the parties shall proceed to arbitrate the grievance.

In the event of any reduction in the benefits over the previous year or increase in the cost of dependent coverage over 5% from the previous year the Union reserves the right to a re-opener.
- 30.2 The City agrees to continue in effect its current life insurance coverage (Statutory Death Benefits) for the term of this agreement.
- 30.3 The City has the sole and exclusive discretion to select the insurance companies and to change said companies.

**ARTICLE 31.0
ON-THE-JOB INJURY**

- 31.1 In the event that an employee covered by this Agreement is determined by Workers Compensation to have sustained an on-the-job injury i.e., an injury which was incurred while acting in the line of duty, the City agrees to do the following:
- 31.1.1 Pay said employee their regular rate of pay (i.e., salary without offset by leave) or provide light duty, if available for up to six (6) months after the injury is sustained; but
- 31.1.2 If an employee received worker's compensation payments during any part of the six (6) month period, such shall immediately be reported to the City, by the employee, and the City shall deduct said amount from the employee's net pay. It is intended by the parties that no employee seeking benefits under this Article shall ever receive more than one hundred percent (100%) of employee's net pay from the City.
- 31.1.3 The City Manager, in his sole discretion, may grant all or part of an additional three (3) months of leave or light duty with regular rate of pay when application for extension of leave is requested by the employee.
- 31.2 The City's payments under paragraph 1, above, automatically terminate after six (6) months. If an injured employee is absent for more than six (6) months, but less than twelve (12) months, the employee will be required to utilize accrued sick leave, then annual leave and finally any other accrued leave, in order to make up the difference between employee's salary and monies received from Worker's Compensation.
- 31.3 If an injured employee is unable to work his/her regular position for more than twelve (12) months, the City Manager may, for just cause, terminate the employee, but may re-hire the employee by placing them on a preferential hiring list for the next available vacancy in the same position for which they are qualified, at their former pay step and seniority for a period not to exceed twelve (12) months.
- 31.4 When so directed by the City, an employee on disability leave shall present one's self for a medical examination. The City will bear the full expense of said examination. The failure of such employee to present one's self for an examination as directed will operate to automatically terminate their disability leave.
- 31.5 Whenever an employee on disability leave becomes physically able to perform some useful light duty work for the Fire Department the employee may be required to do so as a condition to receiving the benefits specified in paragraphs one and two above.

City 

Union 

- 31.6 Whenever a shift employee is placed on light duty, they will be placed in a non-shift (40) hour status and their hourly rate of pay adjusted to the 8-hour equivalent rate. Ex: A shift hour rate of \$25.00 an hour will adjust to a non-shift hourly rate of \$30.00 an hour.
- 31.7 The six (6) month and twelve (12) month periods mentioned above or any six (6) months or twelve (12) months, per injury, and need not be consecutive.

LIGHT DUTY (OFF-THE-JOB DISABILITY)

- 32.1 An Employee who incurs an illness or injury outside the line of duty or who cannot perform regular responsibilities due to pregnancy or other reason as approved by the Chief of Fire Rescue or designee, may request and shall be entitled to work light duty if a position is available within the Fire Department or the City, if the employee qualifies for the position and if the employee's medical condition permits. An employee working such light duty shall be paid, and shall be entitled to benefits, as provided for that position, except the employee shall continue under the Police and Firefighters Retirement System, if the employee was under the Police and Firefighters Retirement System at the time of injury, and if permitted by law.

ARTICLE 33.0
REDUCTION IN FORCE

- 33.1 In the event of a reduction in force for any reason, employees shall be laid off in the inverse order of their departmental seniority. Any employee, who is to be laid off who has advanced to his present classification from a lower classification in which he held a permanent appointment, shall be given the opportunity to displace a less senior employee in the lower classification in the Fire department. An employee may not "bump down" another employee unless (s)he is qualified in the lower classification.
- 33.2 An employee who "bumps down" will be placed in the same step in the established pay range for the new classification.

ARTICLE 36.0
RETIREMENT BENEFITS

- 36.1 Retirement benefits and employee contributions for employees covered by this Agreement shall be as provided in the current City of Oakland Park Police and Firefighters Retirement System (the "Plan" or "city pension plan"), except as provided below. All changes to the existing Plan shall take effect April 1, 2018 ("effective date"), except as otherwise specified below.
- 36.2 The city will join the Florida Retirement System for firefighters as soon as administratively practical after April 1, 2018. To accomplish this, a majority of active firefighters (including DROP participants) must vote in favor of joining FRS at the same time this Agreement is ratified by bargaining unit members. If a majority of active firefighters do not vote in favor of joining FRS, the Agreement will be null and void and negotiations will resume on all articles.
- 36.3 All firefighters hired on or after the date the city joins FRS will become members of FRS. All contributing members of the city pension plan (excluding DROP participants) on the date the city joins FRS will have the right to elect, on a ballot approved by the Florida Division of Retirement, whether to stay in the city pension plan or join FRS. Firefighters who are in the DROP on the date the city joins FRS will stay in the DROP and are not eligible to join FRS. For those contributing members of the city pension plan who make an election, the election is irrevocable for as long as the member is employed by the city. The ballot options will be substantially as follows:
- A. Continue participating in the city pension plan (not join FRS).
 - B. Join FRS. Members who elect to join FRS may also elect one of the following:
 - (1) Firefighters with less than 5 years of credited service in the city pension plan who elect to join FRS will receive a refund of their member contributions to the city plan (or the value of their accrued benefit if greater). This can be used to buy prior service under FRS.
 - (2) Firefighters with more than 5 years of credited service in the city pension plan who elect to join FRS may elect to receive a refund of their member contributions to the city pension plan (or the value of their accrued benefit if greater). This can be used to buy prior service under FRS. Alternatively, such members may elect to keep their contributions in the city plan and receive their vested accrued benefit at the early or normal retirement date. The city pension benefit will be based on the member's credited service in the city plan and average final compensation at the time the member joins FRS.

City LD

Union RYP

- 36.4 The city pension plan will be amended to extend the current 3-year DROP period to a maximum of 8 years or provide an in-service distribution for a maximum of 8 years for members who were employed but not within 7 years of the normal retirement date when the plan was amended in 2013, who elect to join FRS. Such members will be eligible to enter the DROP or receive an in-service distribution upon reaching age 55 with 10 years of credited service or age 52 with 25 years of credited service. Such members who enter the DROP will receive a monthly payment into their DROP account equal to their pension benefit based on salary and years of credited service on the date they join FRS. Such members who elect to receive an in-service distribution will receive their monthly pension benefit based on salary and years of credited service on the date they join FRS. The DROP period or in-service distribution period for such members will be a maximum of 8 years or upon reaching age 60, whichever occurs first. The provisions of this section are contingent on approval of the Florida Division of Retirement.
- 36.5 Joining FRS will likely increase city pension costs for a number of years. To offset the increased costs of joining FRS, the parties agree that:
- A. All Chapter 175 premium tax revenues will continue to be used to offset city pension contributions.
 - B. Fire COLA reserve fund – the Fire COLA reserve fund was created in 1998 to provide a cost of living adjustment to retirees based on the actuarial gains of the pension plan. State law prohibits the payment of an additional benefit funded by actuarial gains if there are no cumulative gains available to fund the benefit. The pension fund has had cumulative actuarial losses of more than \$30 million since the COLA was created. As a result, no COLA has been paid since 2000. The Fire COLA reserve fund now contains \$730,744. The Fire COLA reserve fund and Fire COLA benefit would be eliminated and the Fire COLA reserve fund balance would be used as follows:
 - (1) Provide a \$2,000 one-time payment to all retirees, or another agreed upon amount.
 - (2) Increase benefit multiplier to 3% for members of the “middle group” (those who were more than 7 years from normal retirement date as of 3/1/13) who elect to join FRS, from 3/1/13 to the date the city joins FRS.
 - (3) Any remaining balance would be used to offset city pension contributions.

It is understood that the use of the Fire COLA reserve fund as outlined above would be subject to approval by all current firefighter retirees. In the event all retirees do not approve the use of the COLA reserve fund as outlined above, the current Fire COLA reserve fund and current Fire COLA benefit would remain as it is now. In this event,

City 

Union 

the benefit multiplier would still be increased to 3% for all members of the middle group who elect to join FRS, from March 1, 2013 to the date the city joins FRS. The city would fund the cost of the increased multiplier in the same manner as any pension benefit increase, through increased city contributions to the pension plan.

ARTICLE 37.0 SENIORITY

- 37.1 There are two types of seniority: departmental and rank. Departmental seniority is continuous service with the Fire-Rescue Department since the employee's initial date of active employment. Rank seniority shall be computed from the date of appointment in the employee's rank. The rank structure, by categories, is as follows:

BATTALION CHIEF
FIRE-RESCUE CAPTAIN
FIRE-RESCUE LIEUTENANT
DRIVER ENGINEER / RESCUE SUPERVISOR
FIREFIGHTER / INSPECTOR

- 37.2 Rank seniority will govern the following matters, with the most senior employee picking first:

37.2.1 Vacations for each year subject to the restrictions contained in Section 37.3.

37.2.2 Kelly days will be bid annually to be effective in January. Kelly days will remain in effect for one calendar year (January-December). Employees subject to shift transfers, promotions, and other similar changes which may affect their Kelly day will be assigned a Kelly day based on the operational needs of the Department until the next Kelly day selection cycle occurs.

"TIES" during bidding or selection: Any "ties" identified as a result of the use of this Article will be determined by the exclusive use of the following criteria:

37.2.3 New Employees:

Date of employment, if the same
Pre-employment examination test score, if the same
Date of employment application, if the same
Alphabetical listing of employee's last name

37.2.4 Ranking Employees: The criteria for "breaking ties" in seniority ties will be as follows:

- Time in rank (promotion date), if the same
- Time in next lowest rank to the rank in question, if the same
- Date of employment, if the same

City JD

- Promotional test scores (overall ranking) if the same. However, if tie is between the test scores for two (2) different positions, this criterion will not apply.
- Date of employment application, if the same
- Alphabetical listing of last name
