Dear Resident,

The City of Oakland Park is finalizing the process for the installation of road barriers at NW 18<sup>th</sup> Avenue and NW 27<sup>th</sup> Street. The purpose of the road barriers is for the closure of the road on NW 27<sup>th</sup> Street between NW 18<sup>th</sup> Avenue and NW 18<sup>th</sup> Terrace, as requested by residents and approved by City Commission. As required by City Ordinance Section 18-3, the City is hereby providing notification that the road closure will be installed within thirty (30) days from the date of this notice.

Residents will not be affected during the process of installing the road closure elements. As we strive to make enhancements that will improve the quality of life for our residents, the City asks for your continued patience during this process.
