

Infrastructure Improvements Underway!

Bid Pack 8 Project Update

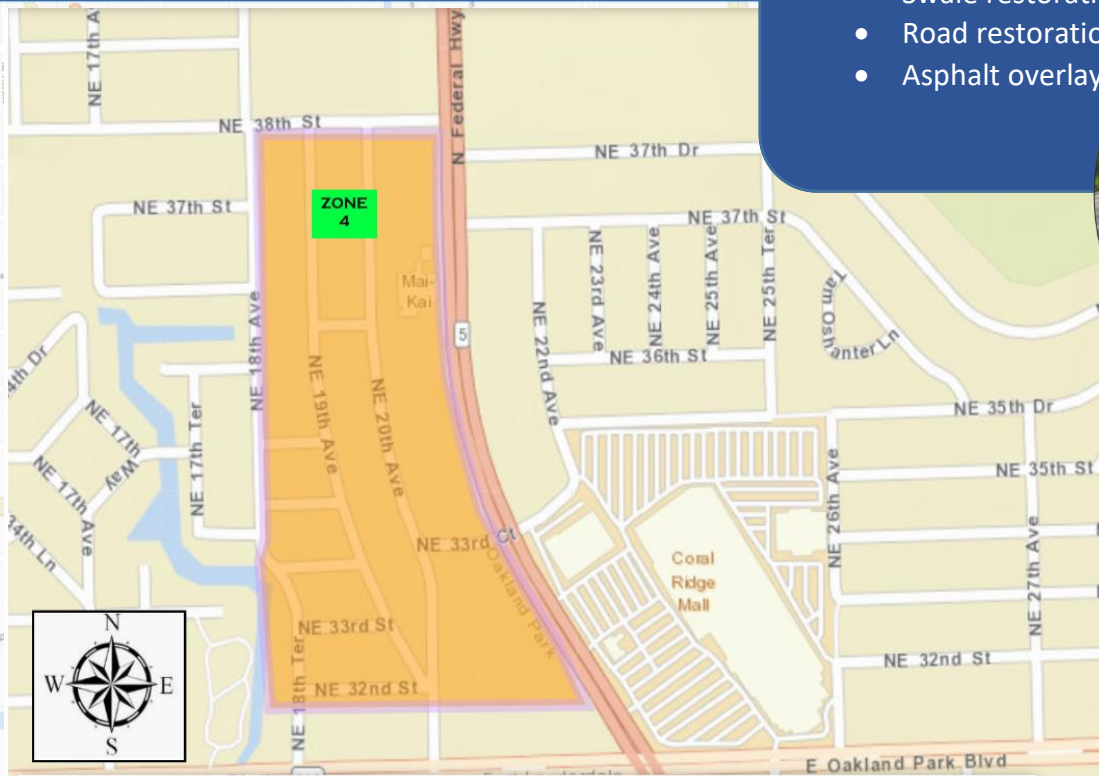

What are the improvements?

- Water main replacement
- Swale restoration
- Road restoration
- Asphalt overlay

BEGINNING

Construction work will begin on or after April 29, 2019

Roadways Impacted by Construction: ZONE 3

- NE 34th Street, NE 33rd Court, NE 33rd Street and NE 32nd Street west of NE 19th Avenue
- NE 19th Avenue between NE 32nd Street and NE 38th Street
- NE 20th Avenue north of NE 33rd Court and NE 33rd Court east of NE 20th Avenue

We ask for your patience during construction.

While improvements are being made in your area, you may temporarily encounter the following:

- An **increase in dust** along your street, which contractors manage with street cleaning and dust-control watering
- Access limitation to your driveway
- Noise from active construction

Contractor will restore all swales (grading, irrigation repair & sod placement)
