BROWARD COUNTY AMENDMENT TWO

BALLOT LANGUAGE

The image below shows the language that will be on the November ballot regarding the Broward County Transportation Surtax Charter Amendment. The Broward Supervisor of Elections provides the ballot language in English, Spanish, and Creole.

COUNTY REGULATION OF THE DEVELOPMENT OF SURTAX-FUNDED TRANSPORTATION IMPROVEMENTS ON COUNTY PROPERTY

To facilitate implementation of surtax-funded improvements to the countywide transportation system, shall the Broward County Charter be amended to provide that County ordinances regulating the development, including zoning, permitting, construction, operation, or administration, of transportation improvement projects that are (1) on County-owned or County-leased property and (2) funded in whole or in part with proceeds from the transportation surtax approved by the County's voters in 2018, prevail over conflicting Municipal ordinances?

Expenses for transportation improvement projects will be paid with a one percent surtax.

Municipalities currently determine the structure and authority of the local government zoning, permitting, construction, architectural, and landscaping standards.

Transportation Surtax – One percent surtax to fund transportation improvements, approved by voters in November 2018.

If passed, this will allow the county to override local ordinances.

YES ——— ← Do you want Broward County to remove your municipality's authority over zoning, permitting, construction, architectural, and landscaping standards.?

NO ——— ← Do you want your municipality to retain authority over zoning, permitting, construction, architectural, and landscaping standards.?

FINANCIAL IMPACT STATEMENT:

It is estimated that this amendment will have no financial impact to Broward County.
